

Chartered Accountants Ireland Professional Qualification details

Prerequisites

This Institute does not have a minimum graduate entry requirement. Non graduates have to meet university entrant requirements and to complete an approved entrance route (e.g. via Accounting Technicians Ireland).

Final Examination.

All new members are required to pass the final admitting exam (FAE) which comprises FAE Core (an integrated paper) and one of five elective papers (Audit, Tax, Advisory, Financial Services, Public Sector). The audit elective is required to gain the audit qualification. If not sat at time of admission, this elective can be completed post admission.

Practical Work Experience

Practical experience requirements are:

- Graduates 3.5 years,
- Postgraduates 3 years.
- Non graduates 5 years.
